A blue and white ceramic bowl with a red interior. The exterior is decorated with a complex pattern of blue floral and geometric motifs on a white background. The interior is a solid red color. The bowl is shown from a side-on perspective, highlighting its depth and the contrast between the exterior and interior colors.

Two rectangular plates with a blue and white floral pattern and a central pink circle. The top plate is shown from a top-down perspective, while the bottom plate is shown from a side-on perspective, highlighting its thickness and the pattern on its edge.

Two oval ceramic plates are shown, one above the other. Both plates feature a complex, symmetrical geometric design. The central motif is a large, stylized sunburst or star shape in dark blue. This is surrounded by concentric bands of smaller geometric shapes, including squares, diamonds, and triangles, in shades of blue, yellow, and white. The plates have a white background and a dark blue border.

A bowl and its lid, both decorated with intricate, colorful geometric patterns in red, blue, and white. The lid is shown above the bowl, and both feature a complex, symmetrical design with concentric circles and repeating motifs.

Two rectangular trays are shown, one above the other. Both feature a complex, symmetrical geometric pattern in red, blue, and white on a dark background. The pattern consists of concentric circles and radial lines forming a mandala-like design. The top tray is slightly larger than the bottom one.
